## Re-Enrollment Plan for Gracechild Families

April 22, 2020

In May 2010, Grace-A-Child Academy began blessing families with exceptional early care and education, and that legacy of excellent care continues today as we plan for the future together.

Our leadership and staff are extremely grateful for the Lord's grace as we position this amazing Academy to reunite staff and families. **As we look forward to serving you, our goal is to be blessing children at capacity by August 3, 2020.**

We plan a smooth re-enrollment process as we bring our amazing staff back who are waiting to return to care and teach our children.

**Please review the dates and additional information set for the re-enrollment process.**
