Good evening, GAC Families!

It truly has been a terrific Tuesday at GAC Academy! We are blessed and excited about our events and activities that happened today.

We began with Spring pictures from Clicks- adorable smiles- happy children – only a few tears. We are sure you will treasure these precious pictures which captured an incredible memory for your family.

We are excited to share even more fantastic news—our Lifeshapers will be making their classroom supply lists for ordering next week with the supply fees that were collected last week.

The Spring supply fees cover classroom materials for six months – this season, each classroom will be allocated the total amount collected from the classroom child count and be given 50% to spend now and the remaining to be spent in July! We are so thankful and appreciative.

Lastly, but just as exciting, we have received an incredible gift by Pastor Eddie and Donna Roberts, our founders, -- a new indoor playground for the Garden.

We have a beautiful new playset delivered and installed today. Some photos of smiling children playing on it are on the next page.

Also, you will see some new outside animals they also purchased for our kiddos to enjoy when coming into the Academy.

As Psalm 118:2 says, "**This is the day that the Lord has made; let us rejoice and be glad in it.**" And we are rejoicing together!

Thank you for giving us the opportunity to serve your family with the most trusted early care and education!
