GOOD NEWS

Dear GAC Parents and Staff,

IT'S A SEASON OF CELEBRATION! From our country to our centers to my 50th year in childcare, my heart is overjoyed to share some wonderful news with you.

Last week, Pastor Timothy introduced Mrs. Megan Key to you as a part of our admin team and shared her qualifications. **Today, I have the privilege of making the official announcement – Ms. Megan is our new center Director in Christiansburg!**

Megan is a qualified and experienced childcare professional with 13 years of experience in childcare. Her career includes both classroom and leadership experience. Megan has a degree in early childhood education with a solid track record of success. She worked for two of the nation's leading providers in early care and education – the Goddard and Primrose Schools.

My sincerest appreciation to Ms. Jessica, Radford's center manager and Ms. Deanne, our Director of Operations, who started Megan's Onboarding training last week and will continue through August 5th.

We appreciate your patience during our four-month journey in field-testing multiple candidates until the right candidate for Christiansburg's Director was secured. I am confident Ms. Megan will be a blessing to our staff, children, and families.

Have a wonderful Independence Day!

Sincerely,

Donna
